July 2017

Dear Parents,

The Geography Department is organising a day's fieldwork to Shrewsbury for Year 8. The work will address the statutory requirement for fieldwork set out in the National Curriculum documents.

Population 1 will visit Shrewsbury on Thursday 5th October 2017.

Fieldwork and data collection are a vital element of our Year 8 course and in view of the educational nature of this fieldwork, all transport costs are to be covered by the school.

Due to the nature of the work to be carried out there may be times when your son or daughter will be supervised in accordance with the DfE guidelines on remote supervision and as part of these measures all pupils will be issued with an emergency contact telephone number, although change for telephones cannot be provided by the school. Pupils will be working in groups at all times and a member of staff will always be close by. At such times as these, pupils will be expected to behave in a sensible and mature manner as will be outlined to them at the start of the day.

Should we arrive back before the end of the school day, you son or daughter may be sent home from school before 3.00 pm. If you would rather they were kept at school until 3.00pm, please indicate this by ticking the box on the reply slip below. Please make sure you return this reply slip, as soon as possible, to your child's Geography teacher.

Yours Sincerely,

A. Chidziya
