

Dear Parent / Carers,

**Your child has his/her Year 8 French or German speaking exam next week: Each child will have a 10 minute appointment with their teacher at some point between Monday, 10<sup>th</sup> and Friday, 14<sup>th</sup> December.** We therefore wanted to make you aware of these dates as well as how you can support your child in preparing for this exam.

For the speaking exam next week, students will have prepared answers to questions in class, which they can then practise and learn at home. Your support would be appreciated to help students to practise these questions and answers. They should aim to do this frequently to build up their confidence.

Attendance to school on the day of the speaking exam is essential: Students all have an individual appointment sheet in their planner (on red paper), and must be on time for their appointment.

If you have any further queries, please do not hesitate to contact one of us at school. Thank-you in advance for all of your help and support.

Wishing the students lots of luck!

Yours Sincerely,

Mrs S. Boddison and Miss C. Lascelles.

Head of French and Head of German.
