

Wood Green Academy School Offer - Whole School Provision Map

Wood Green
ACADEMY

Review date: September 2019

Reviewer: Mrs Dunne (SENCo)

The additional provision for young people with special educational needs will be provided through a GRADUATED RESPONSE, providing a level and type of support which will enable the young person to achieve progress. The provision map outlines typical provision for special educational needs support at a Universal, Notional and Element 3 funding level. Please note where interventions are repeated at a Notional and Element 3 level, the frequency of the intervention will be greater at an Element 3 level.

Universal: quality first teaching and department/pastoral based interventions

Notional: additional needs support in addition to the Universal offering

Element 3: highly personalised provision made available as a result of top up funding via an Education, Health and Care Plan.

Code of Practice Area of Need	Universal Level	Notional Level	Element 3 (when cost of provision exceeds £6000 yearly)
Cognition and Learning	Differentiated curriculum materials Differentiated delivery Differentiated outcomes Increased visual aids ACES dictionaries Writing frames Visual, Auditory, Kinaesthetic (VAK) learning tools Visual vocabulary Examination access arrangements Use of ICT Use of EAL strategies	Synthetic phonics teaching approaches In Class Support LSA/P small group curriculum support SEN Homework Club Numeracy booster group Reduced class sizes for lowest achieving 15 students at KS3 Sound Discovery group KS4 English, Maths, Science academic tuition Academic mentoring Visual timetables Small group reading intervention during form time	1:1 LSA/P support Specialist Equipment Precision Teaching Direct Instruction Intervention Pre-teaching Connexions Transition support to Post 16 Differentiated Curriculum: Skills Development
