

School Closure- Coronavirus

Dear Parents/ Carers,

Provision for Children with Social Workers:

As per the Government advice you will be aware that all schools are now being advised to close to all students from the end of school on Friday, except those who have a Social Worker. If your child has a Social Worker and you require child care please contact admin@woodgreenacademy.co.uk, under the subject heading of 'Social Worker – Your child's name'.

Within the message, please detail your child's name, form group, your most up-to-date contact details. To aid our planning, we must receive this information by **3.00pm on Thursday 19th March at the latest.**

We appreciate that some parents may be anxious about sending their child into school and therefore respect your wishes.

Once we have the number of students aiming to attend school, we will be in touch with you to give you details of timings.

Obviously if your child or anyone in your household are showing any symptoms of Coronavirus we remind you to follow Government guidance and self-isolate.

Please also refer to the government guidance regarding shielding in terms of people with any underlying health conditions as advice suggests that these people are at greater risk.

Many thanks

Mr J Topham
Headteacher
