

Yr 9 Health and Social Care remote learning

Instructions for remote learning April 2021 onwards

If you are working from home please continue to work on Your NEA for R022 – communication.

You must;

1. Respond to the feedback your teacher has given you and complete all your amendments for R022.
2. Scan / take photos of your amended / improved work and send them to your class teacher.
3. Please **keep checking emails** as your HSC teacher will be in touch to ensure you receive personalised feedback and direction on your work.

In addition to this you must continue working on R022

The following tasks need to be completed if you have not already done so;

1. Plan for the one to one interaction with James
2. Behaviour that fails to value service users
3. Synoptic learning

Please go to SharePoint, student hub and open the Health and Social Care folder all the resources you need are in there.

Open the R022 file and work through the tasks you have not yet completed in class;

Plan for the one to one interaction with James
