

# Scheme of Learning: Year 10 – Photography & Mock Exam

## KEY AIMS:

- To **remember** basic key terminology linked to Photography and Drawing/Painting
- To be able to **understand** basic photography & drawing techniques.
- To **apply** skills in decoding tone, mark-making, colour and photography is used in artwork to a satisfactory standard.
- Exploration and **analysis** of relevant artists' work. Learners make clear links to artists' and their own work.
- To **evaluate** own and peer art work following the GCSE Standards of Success exemplar material.
- To create a **final outcome** which displays a strong understanding of accuracy in drawing techniques in practice.

## UNIT SUMMARY:

Learners will begin by gaining knowledge and understanding of **Photography and how to sit a Mock Exam.** Learners will gain an understanding of how a photo can be taken using a shadow box and lighting through videos, demonstrations and practice. Learners will investigate historical and contemporary artists' work. These artists are chosen as having one or more art elements clearly visible in their work.

Learners will be focusing on an individual theme for their NEA project. Learners will be showing their understanding of Photography and Drawing/Painting and how to apply each media correctly in order to show varied ways of recording.

## OCR GCSE 9-1 Assessment Criteria

Learners are expected to demonstrate their ability to:

AO1 Develop ideas through investigations, demonstrating critical understanding of sources.

AO2 Refine work by exploring ideas, selecting and experimenting with appropriate media, materials, techniques and processes.

AO3 Record ideas, observations and insights relevant to intentions as work progresses.

AO4 Present a personal and meaningful response that realises intentions and demonstrates understanding of visual language.
