

Yr. 10 Health and Social Care remote learning

Instructions for remote learning April 2021 onwards

If you are working from home please continue to work on Your NEA for R031 – First Aid if you have amendments to do or still have sections missing.

Along side this you should still work through the R021 L01 tasks below as you will need to be ready to sit your mock exam

You must;

1. Respond to the feedback your teacher has given you and complete all your amendments for R031.(if necessary some students will have finished this)
2. Scan / take photos of your amended / improved work and send them to your class teacher.
3. Please **keep checking emails** as your HSC teacher will be in touch to ensure you receive personalised feedback and direction on your NEA for unit R031 if it is not yet finished.

In addition to this you must continue working on R021

The following topics will be worked on after Easter;

L01

Using the keyword 'R021 L01' search for the resources on the Student Hub for the L01. When you have found these resources start by opening the PPT named R021 RL L01 or follow this hyperlink
