YEAR 8 GERMAN HOMEWORK IDEAS (4)

What can I do if I am at home for any reason or I want extra things to do for German?

Year 8 German (4): 2020 – 21: Term 3b: June – July, 2021:

Your current / upcoming topics are: Using the future tense to talk about what you will wear, Talking about a party you have been to, Talking about your daily routine, as well as various different German cultural topics.

- ❖ Continue to look at Class Charts and Teams: You may have been set specific homework (or classwork!) by your teacher. Your teacher will have already saved some useful files on Teams for you too.
- ❖ Revise as much vocabulary as you can from your Year 7 and Year 8 vocab books. Ensure you use the 'Strategies' page at the start of the book to help you with ways in which you can learn vocab so that it sticks. You need to know the English meaning of the German vocabulary, plus be able to spell the German words. Email your teacher if you have lost either of your vocab books (or check if it has been saved somewhere on Teams)!
- ❖ Get a family member or a friend (online or over the phone is fine!!) to test you on your vocabulary too. You could also try to teach a family member or a friend some German vocab!
- ❖ Make flashcards for the vocabulary you find the trickiest / anything you get wrong in vocab tests / Starter for 10 tests (Put the English word/s or sentence on one side of the flashcard, and the German meaning on the other side. You could also draw a picture to go with the English meaning).
- ❖ Make more flashcards / posters / PowerPoints of your own to practise both old and new German vocabulary.
- ❖ Use the 'mega files' to practise the Year 7 vocabulary: Your teacher will explain what these are and ensure you have them!
- ❖ Use the following websites:
 - ❖ **Memrise:** By now, you should have used this website before and should know your login for it. If not, then register for it by using your school email address and a password of your choice. You must write down your password somewhere safe (we suggest in your planner or your vocab book!), so you don't lose it. You then need to search for the German Echo Express 1 and the Echo Express 2 vocabulary. If you have forgotten your password, then please go onto the Memrise website and reset it yourself.
 - ❖ **Gut! Language Skills:** Account Id: 5923 and Password: gut.
 - ❖ **Quizlet:** No login required for this website. Search for the German Echo Express 1 and the Echo Express 2 vocabulary in the Search box at the top of the page.
 - ❖ **SAM Learning:** Centre ID: WS10WG. Email your teacher if you don't know your User ID and Password.
 - ❖ **BBC Bitesize:** Have a look on this website and see what you can find to do! There are loads of German resources and activities on here!
 - ❖ **S-cool:** You will need to register for this website yourself.
- ❖ Listen to German songs / radio; watch German videos (YouTube is fine for this); find German poems, stories and news articles, and try to work out what they mean; and even watch episodes from German TV shows.
- ❖ Research an area of Germany, Austria or Switzerland (i.e. a region, a city, etc) or research something cultural (i.e. a German football team, Christmas in Switzerland, etc). Write about what you have found out and create something meaningful with your research, e.g. a poster / PowerPoint, etc.
- ❖ Ask your teacher for a German recipe to translate (or even make!) or for some German art to colour in. Team MFL have got lots of ideas for cultural things you could do: Just ask one of us!!
