June 2021

Dear Head Teacher

I hope that you and your staff are safe and well. Thank you for the work that you are undertaking to make the end of your Year 6 time at your school worthwhile and safe.

I would like to thank you and your staff for helping us gather the information on the Year 6 children joining Wood Green in the next Academic year. I appreciate that this is often arduous and time consuming but necessary.

I am sure that are aware that due to COVID restrictions we will not be able to hold the New Intake Parents evening as planned on July 5th and the Transition days for your pupils on 8th and 9th July.

However, we are in the process of preparing a presentation for parents and students which will available on 5th July and also some videos of the school to remind them about Wood Green. Our intention now is to have our Transition days for what will be the new Year 7 on September 6th and 7th. Further details regarding this will be sent to parents and students later this term.

In the forthcoming weeks students will be receiving a Postcard from their Year leader and we are currently updating our website for and urge parents and students to look at the section "**New to Wood Green in 2021**".

I would like to take this opportunity to thank you once again for your support during this important time for Year 6 pupils. I hope that you have a safe end to the current term and that you and your staff can then have a relaxing well-deserved holiday.

Yours sincerely

Mrs Julie Bailey
