Wait for the "Register iPad" App to appear.

Open the "Register iPad" App

Username: Enter your school email address

Password: iPadS3tup

Email

When prompted for your *Exchange password* enter your *usual school computer password*.

Students: Buying Apps

You should not add a payment method to your school account, this will cause you to lose apps when you leave the school.

If you want to purchase an app then you should log in with a personal *Apple ID*, purchase the app and then log back in with your *school ID*.
