May 2017

Dear Parent/Carers,

Year 13 Study Leave 2017

Year 13 Study Leave will start as of Monday 5th June 2017. From this date, Year 13 students should continue to attend school for external examinations and lessons where they are still to sit these examinations. A programme of pre-exam sessions is also on the reverse of this letter; students must ensure they attend these to give them the best possible changes of success. Apart from this, students should study at home.

During Study Leave, students are welcome to use the facilities available in school. However, any student coming onto the premises during this period of Study Leave should sign in at the Post 16 Office.

The school will be open on A Level Results Day, Thursday 17th August from 9am to 11am, during which time students can collect their A level results. If students are not available to attend on this day, results can be posted out to home addresses. If you wish to avail yourself of this, please send a Stamped Addressed Envelope (with correct postage) into school for the attention of Ms Price before the end of June. Alternatively, results may be collected from school at the start of the new academic year in September.

The remaining weeks are a crucial time and students should ensure they are attending all lessons, being punctual and maintaining their hard work and high standards.

I would like to take this opportunity to thank you for the support you have given the school over recent years. Everyone who has been involved in your child's education wishes them the very best for their examinations, their results and their future.

Yours Sincerely,

Mr J S Clarke
Deputy Headteacher
