September 2025

Dear Parents,

As part of your son/daughter's A level Geography course, the department is organising a visit to Cradley Heath to take place on Thursday 16th October 2025. This fieldwork takes place in lesson time and Cradley Heath is our 'local place' place study, part of the Human Geography unit Changing Places. We aim to leave school for 11am and return by approximately 3pm.

Fieldwork and data collection are a vital element of the course and in view of the educational nature of this fieldwork, all transport costs are to be covered by the school. However, they may wish to bring some money along to purchase items. They will need to bring their own packed lunch. Transport will be via the school's mini-bus.

Due to the nature of the work to be carried out there may be times when your son or daughter will be supervised in accordance with the DfE guidelines on remote supervision and as part of these measures all pupils will be issued with an emergency contact telephone number, although change for telephones cannot be provided by the school. Pupils will be expected to behave in a sensible and mature manner as will be outlined to them at the start of the day. Pupils will be doing a large amount of walking and are advised to wear appropriate footwear. Due to the time of the year it is advisable for them to bring a waterproof. Also,

If you wish your son/daughter to take part in the visit, please fill out the proforma below and return it, along with the A/B medical form, as soon as possible.

Yours Sincerely,

Miss L Veale

Head of Geography

.....

WOOD GREEN ACADEMY

I wish my son/daughter to take part in the proposed visit to Cradley Heath on Thursday 16th October 2025. I have read and understand the letter detailing the type of work to be carried out by the pupils taking part in the trip and agree to remote supervision.
