

Over the past month, students have been working with award winning author and storyteller Steven Camden aka Polarbear to create a story world we've called **Fridge City**.

A place where anything can happen.

Where a girl called Dana needs to rescue her little brother.

Where creatures and monsters and food will get in her way and where secrets from the past will be revealed.

To celebrate our work and ideas we are holding a super relaxed after school celebration sharing event at **Wednesbury library** on **Friday 21st June at 3pm** and would love it if you came along. Everyone welcome.

The students will share their ideas, answer questions, hang out and we'll bring snacks.

Hope to see you there!

FRIDGE CITY

After school
Celebration sharing event

Friday 21st June

3PM - 4:30PM

Wednesbury Library

Friends & family welcome
