

JULY

Reminders:

- Scan books out with Learning Hub staff.
- When returning books, do not put them back on the shelves. Please hand them to staff.
- No eating or drinking.
- Because The Learning Hub is so quiet at the moment, students in any year are welcome at any social time.

HELL
Summer

From everyone in The Learning Hub, we hope you all have a fantastic summer!!

World Emoji day!

17th July

Below are a series of emojis that represent the titles of well-known books. Try to guess each one!

11:02

11:04

11:15

11:19

Answers at the bottom of this page!

From everyone in The Learning Hub, we hope you all have a fantastic summer!!

WORLD UFO DAY!

2nd July

Did you know that in 1947 a US Army Air Force balloon crashed in Roswell, New Mexico, which the army referred to as a 'flying disc?' This caused decades of speculation about the origin of the object, with many conspiracy theorists believing this was a UFO which aliens used to get to Earth! They also have theories about alien corpses and other supposed UFOs! This conspiracy has since become global, even leading to a 2000s drama series named 'Roswell,' which centres around human-appearing aliens who crash-landed in 1947 and lived in the town ever since - it's a brilliant series, which helped lead to Roswell becoming famous for its alien conspiracies!

Do you believe in aliens? Do you think they are on Earth?

By Sophie Rushton

The Learning Hub has a new member of staff starting in September. They can't wait to meet you all!

International PLASTIC FREE DAY

3rd July

Each year, the plastic we consume contributes up to 500 million tonnes of carbon dioxide to our atmosphere, polluting our air and leading to catastrophic rises in temperature. To put this into context, the contents of 500 CO2 fire extinguishers equate to just 1 tonne of carbon dioxide. Now multiply that by 500 million. That's how much CO2 is emitted in just one year. Our plastic consumption must be drastically reduced. We must recycle.

For this year's international plastic free day, I am inviting you to join our school in the mission against climate change. Every Thursday, from 2:40pm-3:10pm, the Litterbusters group meets, and we make our contribution towards the fight against global warming, recycling the plastic dropped around the school. Why don't you come along?

By Sophie Rushton

1. Alice in Wonderland
2. Harry Potter and the Philosopher's Stone
3. Beauty and the Beast
4. Charlie and the Chocolate Factory
