Application top tips

Tip 1

Give sufficient time and attention to ensure the information in your online application form is accurate, as KPMG use this to decide whether to take your application further.

Tip 2

Spend time learning about each of the skills needed to be successful at KPMG and consider how they align to your own strengths. Click [here](#) to find out what they are.

Tip 3

Research! Ensure you thoroughly research their business and the programme you are applying for.

Tip 4

Be yourself! The online assessments are designed to identify your skills and potential and determine if you are suitable for the role so be honest and true to yourself.

Tip 5

Programmes can fill quickly so apply as early as possible. Join their [Talent Community](#) to hear about upcoming events and career opportunities.

Get in touch! The Student Recruitment team are on hand should you need to speak to them. If there is anything else you need advice on, then please contact the team [here](#).
