

3rd March 2023

Dear parent/carers/community member

Firstly thank you to all of those that were able to attend the engagement event on Friday 17th February, where the action plan drawn up as a response to the external review was presented. https://www.woodgreenacademy.co.uk/?wpfb_dl=3517.

We are conscious that not all of you were able to attend the meeting, however we are interested in hearing from you and your thoughts on our steps moving forward. You can do this by completing the online form here: <https://forms.office.com/e/VfUdHv72X1> (the form will close at 12.00pm on Wednesday 8th March 2023)

Moving forward we are committed to ongoing engagement with our students, our parents/carers and the local community on how we can work together to continue to improve our school to provide the best possible learning experience for all our children. Alongside working hard on delivering our action plan, we are currently giving some thought on the best way that this can practically happen in the future, if you had any thoughts or feedback on this please do let us know in the online form.

We will update you in the coming weeks on how we plan to achieve this and look forward to further engagement.

Yours faithfully

Ms V Millward
Chair of Governors on behalf of the Governing Body.
