# Random acts of POETRY

day

"The soul should always stand ajar,  
ready to welcome the ecstatic  
experience" - Emily Dickinson

Celebrate random acts of poetry day! On October 2nd, poets and poetry fans alike honour the day by taking part in verse-filled activities, such as leaving their favourite poems in random places for others to find joy in and quoting them to friends and family! If you are an inspiring poet, join The Learning Hub in commemorating the day by taking part our poetry competition! From haikus to sonnets, acrostics to ballads, find your style. If you're more of a poetry reader rather than a writer, leave some poems around school! Share your love of poetry with others!
