Dear Parent/Carer

The new school day from September 2024

On Monday March 18th 2024, I initiated the consultation regarding the proposal to change the timings of the school day in line with the DfE's ambition that all schools will have at least a 32.5 hour school week from September 2024. This proposal was presented to the full Governing Body on Monday 29th April 2024 and consideration was given to all comments that were submitted. The proposal was then approved by Governors on Monday 29th April 2024, with no changes, as the vast majority of the school community were generally supportive of the change to the school day (99%). The new school day is listed below and will be implemented in September 2024.
