

Dear Parent/Carer,

Sports Day – Thursday 16th July 2026

We are looking forward to our annual **Sports Day**, which is an athletics event and an inter-house competition. Individual event winners will receive a medal, and students finishing in the top three will receive a certificate.

Timetable for the day:

- **Periods 1–3:** Timetabled lessons
- **Lunch:** 12:00 pm – 12:40 pm
- **Afternoon Registration**
- **Periods 4–5:** Sports Day events

During the afternoon, the whole school will be involved in either participating in or spectating at the athletics events.

All students are expected to attend school for the **full day** wearing their **full PE kit**, including:

- House-coloured T-shirt
- Black shorts / black school tracksuit bottoms.
- White sports socks
- PE trainers

Students wishing to wear house-coloured face paint or glitter are welcome to do so, provided it is in keeping with the school's expectations and is applied during lunchtime.

As the weather can be unpredictable, students should bring all the books and equipment they need for their normal lessons in case Sports Day has to be cancelled due to rain / extreme heat.

If the weather is warm, we strongly encourage students to bring:

- A refillable water bottle
- A sun hat
- Sun cream

These will help protect against dehydration, heat exhaustion and sunburn.

Unfortunately, we are unable to accommodate parents and carers as spectators at Sports Day.

We look forward to an exciting afternoon of competition and school spirit.

May the best house win!

The PE Department
