Dear Parent /Carer.

I hope this letter finds you and your family well.

I am writing to you as I wanted to bring to your attention the work that your child is currently working on in their GCSE Art class and the importance it has on their final assessment in Year 11.

As you are aware, this is a GCSE course consisting of two components that need to be completed by April 2024.

They are currently working on Component 01, the Non-Examination Assessment (NEA), which is 60% of the overall GCSE qualification. Deadline 22nd December 2023

From January 2024 they will be working on Component 02, the Externally Set Task, which is 40% of the overall GCSE qualification. **Exam - 9th, 10th April 2024** **Deadline 10th April 2024**

The work your child is completing in lessons and for homework is on-going assessed work towards the NEA. It is vital that your son/daughter completes homework that is set by their teacher and attends extra-curricular support sessions at lunch time and after school on a Monday, to achieve their very best.

We are extremely fortunate to have excellent Art facilities at Wood Green Academy. Your child has access to 3 computer suits, laptops that can be loaned, art equipment can be loaned where needed), 2 kilns and ceramic equipment, DSLR cameras, iPads, and paint. The Art Department has an open-door policy where all GCSE Art pupils are welcome during lunch time to come and use our facilities to complete artwork.

I want to take this opportunity to praise your son/daughter for their hard work so far and responding to feedback positively. We understand that unforeseen circumstances do occur and in these uncertain times we offer our support and guidance to all students. Therefore, we encourage students to contact their teacher with any worries or questions they may have regarding the NEA.

I trust that we will have your full support with this matter. If you do have any queries, please do not hesitate to contact me.

Yours Sincerely,

S E Measures
